

Corey Smith, Case Western Reserve University, Subgroup Chair

Exocytosis & Endocytosis Subgroup 2013 Symposium

Saturday, February 2, 2013

Philadelphia, Pennsylvania

1:00 PM, Welcome

1:15 PM, Elise Stanley, University of Toronto, Canada
The Presynaptic Calcium Channel and the Synaptic Vesicle

1:50 PM, Ege Kavalali, University of Texas, Southwestern Medical Center
Molecular Basis and Physiological Consequences of Synaptic Vesicle Pool Heterogeneity

2:25 PM, Break

2:40 PM, Volker Haucke, University of Berlin, Germany
Molecular Mechanism of Synaptic Vesicle Exo-Endocytosis

3:15 PM, José Lemos, University of Massachusetts Medical School
Role of Intercellular Calcium in Release from Nerve Terminals

3:50 PM, Break

4:05 PM, Katz Award Lecture: James Rothman, Yale University
Control of Membrane Fusion in Exocytosis

5:10 PM, Subgroup Business Meeting

7:00 PM, Subgroup Dinner
